Why air Mehrauli murder case alone and not others, Delhi HC asks news channel

A MORAL QUESTION

The Delhi High Court on Wednesday asked news channel Aaj Tak/TV Today Network why it wants to air content like narco-analysis test and charge sheet related to Shraddha Walkar murder case alone. Aaftab Amin Poonawala is accused of strangling his live-in partner Walkar and then chopping her body into several pieces for disposal.

Justice Rajnish Bhatnagar arguments:

► "THERE ARE MORE HEINOUS CASES THAN THIS... THERE ARE 20 MURDERS ALL OVER INDIA DAILY. WHAT IS SO SPECIAL ABOUT THIS CASE? WAS THE NIRBHAYA CASE PLAYED ON TV CHANNELS? WHY ARE YOU CHOOSING THIS PARTICULAR CASE?"

► "WILL YOU DISPLAY ATIQ AHMED'S MURDER ALSO? USKA BHI JAWAB LE KE AAYIYEGA (BRING THE ANSWER TO THIS QUERY TOO)." THE JUDGE SAID AND POSTED THE MATTER FOR HEARING NEXT ON AUGUST 3. "YOU CAN'T TAKE THE CHARGE SHEET IN A CASE AND AFFIX THEM ON WALLS. SOME LINE NEEDS TO DRAW ABOUT HOW MUCH THESE PUBLIC DOCUMENTS (IN A CRIMINAL TRIAL) CAN BE DISPLAYED ON TV." AS COUNSEL FOR INDIA TODAY ARGUED THAT THE INJUNCTION ORDER EFFECTIVELY VIOLATES THEIR FUNDAMENTAL RIGHT, THE COURT SAID: "THIS IS YOUR FUNDAMENTAL RIGHT? TO DISPLAY THE MATTER UNDER SUB-JUDICE ON TV? HOW MANY CRIMINAL CASES PENDING BEFORE COURTS ARE BEING DISPLAYED ON TV?"

Team Absolute | New Delhi

Delhi's Saket court had earlier this month framed charges against Poonawala under Sections 302 (Murder) and 201 (Disappearance of evidence) of the Indian Penal Code.

The court was hearing TV Today's application seeking vacation of an earlier order dated April 19, wherein the court had restrained several media channels from airing Poonawala's psychological assessment, voice layered test, narco analysis and charge sheet content.

Counsel said that the content they wanted to publish are public documents and that the only

request for the court to set an early hearing date.

Counsel added that he will respond to all of the court's inquiries and that the case had acquired a special status in the public's eyes. Justice Bhatnagar said that such materials are there in every case but they are not shown on TV. The court has also issued notice on India Today's application.

FRESH AGAINST RBI DECISION TO WITHDRAW RS 2,000 NOTES

New Delhi: A fresh Public Interest Litigation (PIL) has been filed in the Delhi High Court challenging the recent decision of the Reserve Bank of India (RBI) to withdraw Rs 2,000 notes from circulation. The PIL argues that the RBI lacks the independent authority, as per the Reserve Bank of India Act, to make such a decision.

Furthermore, it contends that the withdrawal of the banknotes after 4-5 years, with a specific deadline, is deemed "unjust, arbitrary, and contrary to public policy". The PIL reads: "It is respectfully submitted that the RBI, as Respondent no 1, does not possess independent power under the Reserve Bank of India Act, 1934, to direct the non-issue or discontinuance of any denominational value banknotes. Such power is exclusively vested with the Central Government, as stated in section 24 (2) of the RBI Act, 1934." The PIL highlights that the circular in question fails to indicate that the decision to withdraw the banknotes has been made by the Central government. It argues that the RBI has provided no explanation other than the "Clean Note Policy" for taking such a significant and arbitrary step of withdrawing the banknotes from circulation, without adequately considering the potential repercussions for the general public.

Delhi Police head constable cracks UPSC in 8th attempt

New Delhi | Agencies

Delhi Police head constable Ram Bhajan Kumar, serving in the cyber cell police station, has achieved a remarkable feat by securing the 667th rank in the highly competitive Union Public Service Commission (UPSC) examination of 2022.

Hailing from a humble background, the 34-year-old Ram Bhajan is the son of a hardworking labourer in Rajasthan. Despite facing several challenges, he persevered and appeared for the UPSC exam for the eighth time, finally achieving his dream of cracking the prestigious exam.

Ram Bhajan's journey to success is an inspiring tale of determination and grit. Born into a family with limited resources, he faced numerous obstacles on his path to becoming a police officer. However, his unwavering resolve

and dedication propelled him forward, leading to his remarkable achievement in the UPSC examination.

He himself along with his parents was indulged in labour work during his school time to support his family needs.

Speaking to reporter, Ram Bhajan, who hails from a small village Bapi in Dausa district, Rajasthan said: that his parents did labour work to earn the daily bread. "I received my early education from a government school in the village. After completing the 12th grade, I was selected as a constable in the Delhi Police.

Alongside my service, I pursued my graduation and post-graduation as a self-study student from Rajasthan University and obtained a NET/JRF in Hindi. In 2015, inspired by my senior officers, I began preparing for the civil services."

As per the latest Financial Times Executive Education Rankings 2023, the executive education programmes of Indian Institute of Management Ahmedabad (IIMA) have been ranked No. 1 in India, the management school said on Wednesday.

The institute has also secured the second rank in Asia and the 35th position globally.

Bharat Bhasker, Director at IIMA, said, "IIMA has consistently received high praise for its executive education programmes from professionals and industry leaders alike. It's rewarding to see our commitment and effort get reflected in the FT rankings."

Bhasker also emphasised the institute's sustained improvement over the years, attributing

its success to a deep understanding and connection with the industry, "which allows IIMA to serve as a valuable knowledge partner through its executive education programmes".

This year, IIMA has ascended in the rankings, moving up two spots in the Open Enrolment Programmes category, and five places in the Custom Programmes rankings. The combined category rankings saw the institute advance four places, landing the 35th spot globally.

On numerous parameters, including international participants, international location, faculty, programme design, teach-

ing methods, aims achieved, and value for money, IIMA's executive education programmes have been lauded.

With a diverse range of over 200 programmes in both open enrolment and customised formats, IIMA caters to a broad audience, from business leaders and policymakers to industry professionals. These programmes are offered through a variety of modes - in-person, online, and blended.

'FALSE ALLEGATIONS BY WRESTLERS': CLAIMS PLEA IN DELHI COURT IN SEXUAL HARASSMENT CASE

New Delhi: A criminal complaint has been filed by a social activist and chief of Atal Jan Shakti Party in a Delhi court against wrestlers Vinesh Phogat, Bajrang Punia, and Sakshi Malik for pressing "false allegations" of sexual harassment against Wrestling Federation of India (WFI) chief Brij Bhushan Sharan Singh.

Additionally, the complaint alleges the protesters were involved in delivering "hate speech" against Prime Minister Narendra Modi.

The case is scheduled for a hearing on Thursday, before an Additional Chief Metropolitan Magistrate at Patiala House Court.

The petitioner, Bam Bam Maharaj Nauhatiya, challenged the credibility of the allegations made by the accused individuals against Brij Bhushan Sharan Singh.

The plea argues that the accusations lack truth and are not motivated by any genuine concern but by potential influence or personal gain.

Karnataka govt all set to overturn hijab ban

Bengaluru | Agencies

The new Congress government in Karnataka is all set to remove the ban on hijab in the state, sources said on Wednesday.

The new government is waiting to settle down and complete the cabinet expansion.

While campaigning for the May 10 Assembly polls, the Congress Congress, especially Deputy Chief Minister D.K. Shivakumar, had vehemently stated that ban on hijab and all laws made on communal basis by the previous BJP government would be withdrawn once the party assumes power in the state.

Asked about Amnesty International's rising concern on hijab ban in Karnataka, DyCM Shivakumar on Wednesday stated in Vidhana Soudha, "I don't want to comment on the matter of hijab as it is a policy matter."

However, Priyank Kharge, the cabinet minister addressing press reporters maintained that

the Congress will withdraw the ban on hijab, halal cut and cow slaughter laws.

Sources claimed that the party is all set to withdraw these laws, including the Anti-Conversion law brought by the previous BJP government. A decision will soon be taken on the construction of a 114-foot tall Jesus Christ statue in Kapilabetta near Kanakapura town. This is proposed to be the largest Christ statue in the world.

The Hijab row which was started by six students of Udupi Pre-University Girl's College had turned out to be a crisis in the state last year. The students refusing to attend classes without hijab still maintain that they will wait for the final verdict of the Supreme Court.

'EVEN DEADLIER': WHO CHIEF CAUTIONS WORLD OVER NEXT PANDEMIC

Geneva | Agencies

The World Health Organisation (WHO) has warned all countries to gird up for the next pandemic which could be "even deadlier" than coronavirus.

WHO Director General Tedros Adhanom Ghebreyesus, who had recently announced that the Covid-19 pandemic is no longer a public health emergency, however, underscored that this downgrade does not mean that it has ceased to be a global health threat.

"The threat of another variant emerging that causes new surges of disease and death remains, and the threat of another pathogen emerging with even deadlier potential remains," he said in an address to the 76th World Health Assembly on Monday.

Covid-19 may no longer be a global public health emergency, but countries must still strengthen their response to the disease and prepare for future pandemics and other threats, so that when the next pandemic arises, a decisive and collective response is in place, he said.

Ghebreyesus also reminded the world that in the face of overlapping crises, "pandemics are far from the only threat we face".

Married people who have affairs do not regret it: Study

- The participants were questioned about the state of their marriage, the reason for their desire to have an affair, and their general well-being.
- The findings revealed that participants generally reported high levels of love for their spouses.
- They did, however, report low levels of sexual satisfaction, which was cited as the primary motivator for having an affair. Other motivators included the desire for independence and sexual variety, the study mentioned.
- Moreover, the study said that fundamental relationship problems, such as a lack of love or anger towards a spouse, were the least-mentioned reasons for having an affair.
- The findings suggested that infidelity is not always the result of deeper relationship issues.

Married individuals who engage in extramarital affairs experience a sense of satisfaction, display limited remorse, and believe cheating doesn't hurt their marriage, a new study has shown.

According to the study published in the journal Archives of Sexual Behavior, a size-

able number of people choose to cheat on their romantic partners, with estimates around 20-25 per cent of married people and 33-50 per cent of young adults in dating relationships. In the study, researchers from the US-based Johns Hopkins University surveyed people

using Ashley Madison -- a website for extramarital affairs -- about their views on cheating. The researchers' goal in the study was to better understand the psychology of people who actively seek out and engage in extramarital affairs.

They turned to Ashley Madison, where they surveyed 2,000 users, both before and after they had affairs.

KEJRIWAL, THACKERAY SLAM CENTRE FOR 'ARROGANCE OF ORDINANCE'

Team Absolute | Mumbai

Attempting to drum up support for the Aam Aadmi Party (AAP)'s fight against the Bharatiya Janata Party (BJP), Delhi Chief Minister Arvind Kejriwal called on former Maharashtra chief minister and Shiv Sena (UBT) leader Uddhav Thackeray at his home here on Wednesday.

Addressing the media jointly, both leaders slammed the Centre for attempting to force the Ordinance to control Delhi services as "an Ordinance emerging from arrogance" and the need to "wake up the people of the country".

"The Ordinance decision is coming out of the arrogance. An arrogant and selfish person cannot run the country," said Thackeray, expressing support for Kejriwal's fight with the Centre.

Flanked by Punjab Chief Minister Bhagwant Mann, Kejriwal said that "we have come together to wake up the

people of the country".

Thackeray said that the Shiv Sena (UBT) and Matoshri are known for maintaining relations which go beyond politics.

"The Supreme Court verdict was necessary for Delhi and the country's democracy. But what kind of democracy is it when the Centre brings an Ordinance like this? We have to make the people aware of all this," Thackeray said.

Kejriwal said even the AAP keep

good relations with all and "now we are part of the Thackeray family".

"The people of Delhi have fought a big battle for rights. The government of Prime Minister Narendra Modi is taking away our authority by the Ordinance though the SC verdict came (May 11) in our favour after 8 years," Kejriwal said.

"Their politics is unethical, wrong and dangerous to the country and a threat to democracy. They are blatantly misusing power and various institu-

tions to hound political rivals," said Thackeray.

Soon after the apex court judgement giving the powers to the state government to appoint officers in Delhi, the BJP government brought forth an Ordinance to annul the decision on grounds that Delhi does not have full statehood, and gave all the powers to the Lt. Governor.

Kejriwal has been on an all-India round of all the top Opposition parties in the country to block the Centre's Ordinance in the Rajya Sabha.

Earlier, he met Bihar CM Nitish Kumar, on Tuesday he met West Bengal CM Mamata Banerjee, on Wednesday Thackeray, and on Thursday he will have a sojourn with Nationalist Congress Party President Sharad Pawar. Congress state president Nana Patole has already stated that his party would abide by the decision of the Central leadership.

ANIL DESHMUKH CLAIMS HE GOT OFFER TO JOIN BJP & TOPPLE MVA GOVT

Team Absolute | Mumbai

For the second time in four months, senior Nationalist Congress Party leader and former Maharashtra Home Minister Anil Deshmukh claimed that he was given an offer to join the BJP and help topple the erstwhile Maha Vikas Aghadi government.

Deshmukh said that the purported proposal had come over two years ago, and also when he was jailed for alleged corruption charges.

"If I had accepted that offer, the MVA government would have fallen much before... But I declined it and had to face action by various central agencies," Deshmukh told a private Marathi news channel.

Earlier, in February also Deshmukh had made a similar claim while talking about the blatant misuse of central investigating agencies against

the Opposition leaders.

MVA ally and Shiv Sena (UBT) MP Sanjay Raut said that he was aware of the developments claimed by Deshmukh and similar offers were made to other MVA leaders too, including himself, but they didn't succumb to the BJP's pressures.

Reacting sharply to the NCP leader's assertions, Maharashtra BJP President Chandrashekhar Bawankule dismissed Deshmukh's contentions outright and reminded him that he is "only out of

jail on bail".

"He has been granted bail on health grounds by the court... The case hearings are still on and his utterances tantamount to a contempt of the court. If he continues making such statements, we shall complain to the court," warned Bawankule.

It may be recalled that Deshmukh was jailed in alleged corruption and money-laundering cases for nearly 13 months before he secured bail and walked out of the prison on December 28.

Maha Congress expels ex-MLA Ashish Deshmukh for 'anti-party' statements

Team Absolute | Mumbai

The Maharashtra Congress on Wednesday expelled former MLA Ashish Deshmukh for six years for making public statements against the party leadership including Rahul Gandhi and state unit chief Nana Patole.

The expulsion order was issued to Deshmukh by former Maharashtra Chief Minister Prithviraj Chavan, the Chairperson of the MPCC Disciplinary Committee vide a letter of May 22.

The committee had discussed the show-cause notice served on April 9 to Deshmukh -- son of former Minister and ex-state Congress president Ranjit Deshmukh -- and his reply to the same.

"We found the reply regarding your public utterances against the party unsatisfactory. You are expelled from the primary membership of the party for six years with immediate effect," the dis-

ciplinary committee's letter to Deshmukh said.

Deshmukh had fomented a huge row when he called upon Gandhi to apologise to the OBC community over his 'Modi surname' remarks that finally led to his losing the Lok Sabha membership. Later, he accused Patole of allegedly being

hand-in-glove with Chief Minister Eknath Shinde and taking 'One Khokha' (slang for Rs 1 crore) per month from him, which the party had dismissed, saying Deshmukh had lost his mental balance.

Deshmukh had created a flutter in January when he shot off a letter to Congress President Mallikarjun Kharge demanding the removal of Patole and holding him responsible for the party's nosediving fortunes in the state with a spate of electoral losses.

After his series of statements targetting state and central leaders, the MPCC had set up a disciplinary committee headed by Chavan to probe the same and submit its findings.

Incidentally, Deshmukh is a former Bharatiya Janata Party MLA from Katol in Nagpur who joined the Congress and, in the 2019 assembly polls, was fielded opposite Devendra Fadnis in Nagpur South West constituency, but lost.

'Anupamaa' actor Nitesh Pandey dies of cardiac arrest at 51

Team Absolute | Mumbai

Actor Nitesh Pandey, who essayed the role of Dheeraj Kumar in the top rated television show 'Anupamaa', passed away due to cardiac arrest at the age of 51.

Reports claim that the actor suffered a massive cardiac arrest late on Tuesday night in Igatpuri near Nashik. He succumbed to the same instantly.

Nitesh started his journey with theatre in 1990. In 1995, he bagged the role of a detective in 'Tejas'. He went on to work in serials like 'Manzilain Apani Apani', 'Astiva...Ek Prem Kahani', 'Saaya' and 'Durgesh Nandini'.

Apart from television, he also worked in films. His work in the National Award winning film 'Khosla Ka Ghosla' received widespread appreciation. He also starred in 'Om

Shanti Om' and 'Badhaai Do'.

He also worked in television show 'Pyar Ka Dard Hai Meetha Meetha Pyara Pyara' and also ran an independent production house named Dream Castle Productions.

Last seen in 'Anupamaa' and 'Pyar Ka Dard Hai Meetha Meetha Pyara Pyara', Nitesh, who has been a popular face

in the television industry for over two decades, was from Almora Kumaon in Uttarakhand.

He is now survived by his actress-wife Arpita Pandey.

The two had met on a TV show 'Justajoo' after which they got married in 2003.

Nitesh was earlier married to actress Ashwini Kalsekar.

Mumbai BJP chief meets Sharad Pawar

Mumbai: Bharatiya Janata Party's Mumbai unit chief and MLA Ashish Shelar on Wednesday called on Nationalist Congress Party (NCP) president Sharad Pawar at the latter's residence in south Mumbai. What transpired at the meeting, however, could not be known.

The meeting between the two leaders assumes significance as Delhi Chief Minister Arvind Kejriwal is scheduled to meet the NCP chief in the city on Thursday.

Kejriwal, who met Shiv Sena (UBT) president on Wednesday, is seeking support of different political parties and leaders for the Aam Aadmi Party's fight against the Centre's ordinance on control of services in Delhi. Although Shelar and Pawar belong to rival parties, they have been on the same page when it comes to controlling the cricket boards of Mumbai or the apex body of the sports. Shelar, a BJP MLA from Bandra West, has been in the world of cricket and politics for almost a decade, while Pawar had earlier served as the president of the Board of Control for Cricket in India (BCCI), the International Cricket Council (ICC), and the Mumbai Cricket Association (MCA).

MVA on same page to boycott new Parliament unveiling by PM

Team Absolute | Mumbai

With the Nationalist Congress Party also joining the Congress and the Shiv Sena-UBT on Wednesday, all the Maha Vikas Aghadi (MVA) constituents are now on the same page visa-a-vis the opposition move to boycott the inauguration of the new Parliament House by Prime Minister Narendra Modi on May 28.

A majority of the Opposition parties have decided to keep off the inaugural in New Delhi on Sunday on grounds that the government has flouted democratic tradi-

tions by not inviting President Draupadi Murmu for the event.

"The Bharatiya Janata Party is trying to undermine the country's top constitutional post by not inviting the President to inaugurate the new Parliament. It's an insult to the democratic traditions of the country. The BJP is clearly trying to project Modi's image ahead of the 2024 elections," said NCP chief spokesperson Mahesh Tapase.

Accordingly, all the NCP MPs have voiced their displeasure and have decided to keep away from the Parliament inaugural event.

Shiv Sena-UBT chief spokesperson Sanjay Raut reiterated that his party will also show its back to the Sunday event.

"All the Opposition parties have decided to boycott the inaugural of the new Parliament building on May 28 and we shall also follow suit," Raut declared.

Tapase added that the President is the custodian of the fundamental rights of the citizens and also the Supreme Commander of the Indian armed forces, and hence most in the Opposition feel that the President should rightfully inaugurate the new Parliament house.

2024 Lok Sabha elections under PM Modi's leadership will be record breaking: Eknath Shinde

Team Absolute | Mumbai

Maharashtra CM Eknath Shinde on Wednesday said that all records will be broken in the 2024 Lok Sabha elections under Prime Minister Narendra Modi's leadership, reported the news agency.

Reacting to the Opposition parties boycotting the inauguration of the new parliament building, CM Shinde said, "The progress of the country is in front of the world and India is getting respect everywhere. The development that did not happen in the past 70 years, has happened in the last 8-9 years. Public knows everything. All records will be broken in the 2024 Lok Sabha elections under PM Modi's leadership," a news agency reported.

Meanwhile, as many as nineteen opposition parties, including the Congress, Left, and TMC, collectively declared their decision to boycott the inauguration of the new parliament building by Prime Minister Narendra Modi, deeming it an "undignified act" that insults the esteemed

position of the president, PTI reported.

They expressed that the inauguration of the new parliament building is a significant event. Despite their belief that the government poses a threat to democracy and their disapproval

of the "autocratic manner" in which the new parliament building was constructed, they were willing to set aside their differences and observe this occasion, the parties said in a joint statement, according to the PTI.

The statement further said

that PM Modi's decision to exclusively inaugurate the new parliament building, disregarding President Murmu, is not only a grave insult but a direct attack on our democracy, which warrants an appropriate response.

Indian e-commerce to grow 1000% & emissions 8-mn tons by 2030

Team Absolute | Mumbai

Portending an alarming situation, Indian e-commerce is expected to grow 1000 percent and emissions will shoot up by 8 million tons (80 Lakh) by 2030, as per a new research by the Clean Mobility Collective (CMC) and Stand.earth Research Group (SRG), released globally on Wednesday. The domestic e-commerce market is likely to witness a 10-fold hike - from the current levels of 4-billion parcels delivered per annum to 40 billion per year by 2030. The total annual emissions from this sector would zoom up to 8 million tons of CO2 - equivalent to 16.50 lakh petrol cars driven for a year - Aby 2030, said the CMC-SRG study. The report said that the global e-commerce market is anticipated to witness substantial growth with parcel growth projected to more than double from 315 billion parcels in 2022 to over 800 billion parcels by 2030. This heightened activity will contribute to a total emission of 16 crore tons of CO2 in the next 8 years, or equal to 400 gas-fired power plants. Already notorious as a significant contributor to Greenhouse gas emissions world over, the transportation sector will

see exponential emissions increase by 2030, as stated by the report. Titled aCost of Convenience: Revealing the hidden climate and health impacts of the global e-commerce-driven parcel delivery industry through 2030', the report forecasts that global annual e-commerce emissions related to last mile delivery alone could rise to as high as 160,000 tons of CO2 per annum by 2030. To sequester the last-mile delivery sector emissions for 2022 alone, over one billion trees are required to be planted every year and allow them to grow for a decade, says one of the key points in the report. "With e-commerce growing exponentially over the coming years, the industry needs to address its ballooning emission footprint. Decarbonising the sector is not only economically viable and saves India

significantly massive expenditure on import but has the co-benefits of reducing and avoiding emissions and air pollution as well," said Siddharth Sreenivas, CMC's India Coordinator. "Unabated growth of last-mile delivery will have significant climate and health impacts if e-commerce companies fail to act at scale before 2030," added SRG Investigative Researcher Dr Devyani Singh. The reports said that in the normal business scenario from 2023-2030, major players like Amazon, Flipkart and DHL will together contribute an additional 17 million tons of CO2 emissions. The report has frowned upon global e-commerce market leader Amazon "for its insufficient commitments towards achieving zero emission deliveries by 2030", plus other things.

live on. The CM said that every eligible person would be given a plot, necessary assistance would also be provided to construct a house along with a lease. In case of non-availability of government land, plots will be made available by purchasing land.

Congress in the mood to take an aggressive stand in MP

Team Absolute | Bhopal

The Congress is upbeat after the big victory in the assembly elections in Karnataka, with the help of this success, the Congress wants to win the assembly elections in Madhya Pradesh this year as well. This is the reason that the Congress has made up its mind to take an aggressive stand in the state.

Pawan Kheda, the publicity in-charge of the media department of the party, and Supriya Shrinete, the national spokesperson of the party, visited Bhopal on Tuesday. During this, he had a one-on-one conversation with some officials of the media department and then took a group meeting of the spokespersons.

Pawan Kheda said that whether it is business, unemployment of youth, inflation, gas cylinder, women's safety, petrol, diesel, health, we should work on these issues in politics. have come for BJP is in the govern-

ment, so there is no relation of BJP on these issues, we have also seen poor services, seen during Covid. National spokesperson Supriya Shrinete said Karnataka's victory cleared a few things. Without any doubt, the public is clearly saying to the politicians, political parties, the Prime Minister and the opposition that if they talk about our issues, they will vote and make them sit in the gov-

ernment, if they talk here and there, they will make them sit in the opposition.

Overall, the Congress's stand in the state assembly elections should be completely aggressive, its efforts have intensified since now. While the party will further train its media team, it will also focus on those issues which can corner the BJP's state and central government.

4 Dead, 2 injured after dumper hits auto in Dewas

Team Absolute | Dewas

Four people died while two sustained injuries after a dumper allegedly hit a loading auto-rickshaw in Madhya Pradesh's Dewas district on Wednesday, said the police.

The incident occurred at the Indore-Bhopal bypass in Dewas at around 4 am on Wednesday. Those who died were identified as Dharmendra, a resident of Sagar district, and her two children Hritik (2) and Anshu (3).

Rani's husband Suraj (35) and the driver of the auto-rickshaw Bablu, a resident of Raichur district sustained severe injuries in the accident. They are undergoing treatment at Dewas district hospital.

"Information was received on dial

100 about a road accident at the Indore-Bhopal bypass after which the police rushed to the spot. A total of four persons, including a woman and two children died and two others sustained injuries after a recklessly driven dumper hit a loading auto. The auto was going to Indore from Bhopal," Nahar Darwaza police station in

charge, R C Kalsiya said.

The driver, Bablu told police that he was going from Bhopal to Indore. The family of Suraj was boarded in the auto from Shiv Nagar locality in Bhopal and they left around 10 pm on Tuesday from Bhopal. The dumper broke the road divider, hit the auto from the front side.

"Not in our control": official on relocating Cheetahs after cub dies

Team Absolute | Bhopal

After a cheetah's cub died at Kuno National Park, the Madhya Pradesh Principal Chief Conservator of Forests JS Chouhan said that the decision to relocate cheetahs is beyond their jurisdiction and can only be taken by the central government. According to Kuno National Park officials, the number of young cubs in the park decreased from four to three. "The decision to shift the Cheetahs to some other place can only be taken by the central government, it is not in our control," Madhya Pradesh Principal Chief Conservator JS Chouhan told news agency.

He said that the cub of a female cheetah named Jwala died due to weakness at Kuno National Park.

Chouhan further said, "On March 24

this year, a female cheetah named Jwala gave birth to four cubs. We are continuously monitoring them. After one and a half months, these cubs along with mother Jwala were being taken out and since then it was being observed that one cub was a little weak among them. It was not able to compete with the other three."

On Tuesday morning, he said, the monitoring team observed that all the cubs and mother cheetah were staying at the same place. After that three cubs and Jwala got up and went away. When the team reached the cub lying there, it was alive. Following this, the monitoring team called the veterinary team. They tried to take the cub to the hospital but the cub died within 5 to 10 minutes in the morning itself, he said.

Speaking about the cause of death, Chouhan said, "The cause of death is due to immense weakness. Further, a full-scale postmortem will be done. After the postmortem report, it will be known if there was any other problem or not." The remaining three cubs are completely fit, good and very playful, he added. Responding to questions being raised on the functioning at Kuno Park

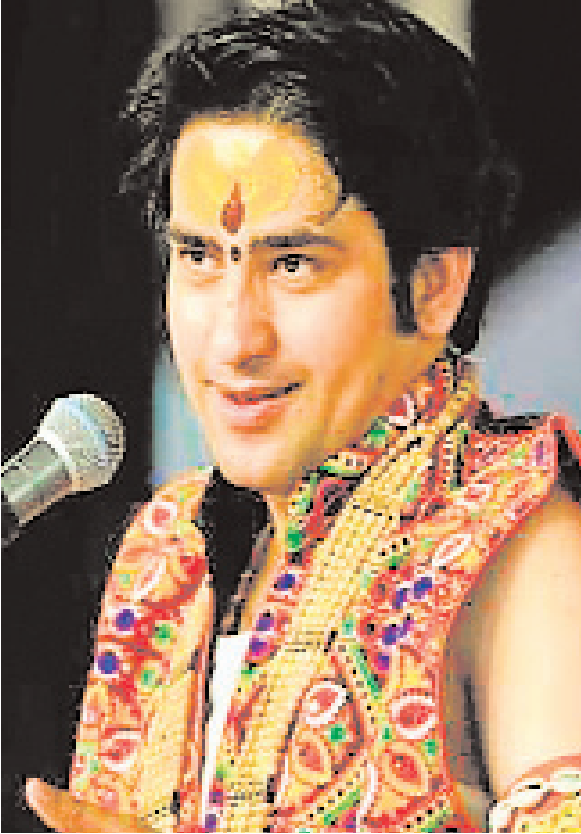

and whether there is any kind of lapse as continuous deaths of cheetahs are being reported, he further said, "In all these cases, we do not think that there is any lapse or any mistake on the part of anyone. These are reasons that are beyond our control."

A female cheetah named Jwala brought from Namibia at Kuno National Park in Madhya Pradesh's Sheopur district, has given birth to four cubs in March this year.

Notably, in the past few months, three cheetahs have already died at the National Park, raising fingers at the Kuno management and administration.

Prime Minister Narendra Modi released the eight cheetahs brought from Namibia at Kuno National Park on the occasion of his birthday on September 17, last year.

Tribals oppose Dharendra Shastri's Vanvasi Ram Katha

Team Absolute | Bhopal

The two-day Vanvasi Ram Katha is being opposed in Paraswada of Balaghat district by Pt. Dharendra Krishna Shastri of Bageshwar Dham. The tribals say that the place where the story is taking place is the place of their deity 'Bada Dev'. This is completely tribal area. This event is an encroachment on tribal culture. Even the approval of the Gram Sabha was not taken for such a big event.

They allege that Dharendra Shastri has insulted the tribals by saying that he is going to narrate among the wild tribals. Tribal does not mean the people living in the forest. Now time has changed. Tribals say that Draupadi Murti, who holds the post of the highest President of the country, is also a tribal. State Governor Mangu Bhai Patel is also a tribal. In such a situation, how can a narrator say that he is telling a story among the tribals of the forest.

19 thousand Patwaris of state on 3 days leave

Bhopal: about 19,000 Patwaris of Madhya Pradesh went on leave for three days from Wednesday. He has displeasure on the issue of demarcation and promotion. Patwari will not work even if it is a government holiday for two days. In this way they will be on leave for five days. On the call of the Madhya Pradesh Patwari Sangh, a memorandum was submitted on May 4 regarding abstaining from demarcation work in all the districts of the state, giving 2800 grade-pay on the basis of equal pay for equal work and other subjects. In which it was said that the demands should be fulfilled by May 23, but the demands were not fulfilled within the stipulated time limit. Due to this Patwari went on mass leave till 24, 25 and 26 May.

Rift between Scindia and BJP MP K.P. Yadav comes to the fore again

Team Absolute | Bhopal

The political rift between Union Minister Jyotiraditya Scindia and BJP MP from Guna K.P. Yadav came into the open once again ahead of the assembly elections in Madhya Pradesh. Yadav, who had defeated Scindia in the Lok Sabha elections in 2019 from Guna has expressed his disappointment over not inviting him to meetings organised by Scindia loyalists in the Gwalior-Shivpuri district.

Miffed over not being invited to a meeting of the Yadav community in Shivpuri district, K. P. Yadav said, "I wasn't called to the meeting of my own community. For the first time I wasn't invited or informed about the meeting of the Yadav community. It seems a conspiracy against me, which is why I wasn't invited for the meeting," Yadav told the media in Bhopal on Wednesday.

Yadav's remarks came two days after Scindia addressed a gathering of local people (Gwalior, Shivpuri) on May 22 in Shivpuri district.

Sources privy to the development told reporter that Scindia addressed two gatherings of different communities - Kewat, Majhi, Yadav, Vaisya and some others.

While addressing a gathering of the Vasya community in Shivpuri on May 22, Scindia apologised to the people with folded hands saying "I apologise for whatever mistakes

occurred in the past. Please pardon me."

Yadav said on Wednesday that personal rifts need to be kept aside and he should have been invited as he is an elected representative of the area. "These things send wrong messages to the society. We need to be united. I am disappointed with the development," Yadav added.

However, it is not the first time that the rift between Scindia and Yadav has come to the fore, it has happened several times in the past also. Yadav had earlier alleged he was not invited to Scindia's meeting. Later, the state BJP leadership tried to close the gap between these two leaders in an attempt to send a message that things are fine now.

Meanwhile, the Madhya Pradesh Congress on Wednesday shared a video on its official Twitter handle, in which Yadav can be heard saying, "Some people are trying to create problems. He should have contested the election against me again and then it would have shown how popular he (Scindia) is."

IPL 2023 Eliminator

MADHWAL'S 5/5 THRASH LSG, MI ADVANCES TO QUALIFIER 2

Chennai | Agencies

Pacer Akash Madhwal picked a sensational five-wicket haul (5/5) and helped Mumbai Indians thrash Lucknow Super Giants by 81 runs in the eliminator and move into Qualifier 2 of IPL 2023 at the MA Chidambaram Stadium, here on Wednesday.

Lucknow were 68/2 in eight overs at one point in their chase of 183. But from there, they fell in heaps to be all out for 101 in 16.3 overs, with Madhwal finishing with 5/5 in 3.1 overs, which is also the best-ever bowling figures in IPL playoffs history.

Mumbai were also aided by three hara-kiri run-outs from Lucknow's batting to book their spot in Qualifier 2, where they will face defending champions Gujarat Titans at the Narendra Modi Stadium on Friday.

Chasing 183, Mumbai made the breakthrough in the second over as Madhwal had Prerak Mankad slicing to deep point. Two overs later, Mayers miscued pull to mid-on off Chris

Brief scores

Mumbai Indians 182/8 in 20 overs (Cameron Green 41, Suryakumar Yadav 33; Naveen-ul-Haq 4/38, Yash Thakur 3/34) beat Lucknow Super Giants 101 all out in 16.3 overs (Marcus Stoinis 40; Akash Madhwal 5/5) by 81 runs

Jordan.

Mumbai could have got their third wicket had Nehal Wadhwa not misjudged the catch of Marcus Stoinis while running in from deep cover in the fifth over. From there, Stoinis swung off Cameron Green for four,

before pulling twice off Hrithik Shokeen for back-to-back boundaries through square leg and mid-wicket.

He followed it up with a straight six down the ground as 18 runs came off the last over of power-play. But he was losing support from the other end as Krunal holed out to long-on of Piyush Chawla in the ninth over.

Madhwal's return in the tenth over truly broke the game open for Mumbai -- Ayush Badoni's off-stump was sent for a cartwheel ride, followed by Nicholas Pooran nicking behind to keeper to fall for a golden duck.

A collision with Deepak Hooda while taking the second run resulted in Stoinis being run-out in the 12th over, followed by Krishnappa Gowtham being run-out in the next over. Madhwal had Ravi Bishnoi caught at long-on, before another horrible mix-up resulted in Hooda being run-out.

In his final over, Madhwal completed his five-fer with a yorker hitting the base of Mohsin Khan's off-stump to seal a dominating and emphatic win for Mumbai.

La Liga: The final two matches in the 36th round of games to be played today

Madrid | Agencies

The final two matches in the 36th round of games in La Liga will be played today night, with Mallorca at home to Valencia and Osasuna entertaining Athletic Bilbao.

Mallorca are safe from relegation on 44 points, but need to recover from a 3-0 thrashing to Almeria last weekend, while Valencia still have some work to do to ensure their top-flight survival.

A 1-0 win at home to Real Madrid which was overshadowed by racist insults aimed at Real Madrid's Vinicius Jr gave Valencia 40 points, but if Espanyol and Getafe both win their matches on Wednesday, they would be only two points from the bottom three and with work still to do to survive, a Xinhua report said.

Coach Ruben Baraja has benefited from giving a chance to youngsters Javi Guerra and Diego Lopez, with Lopez scoring the winner against Madrid, and they do have the advantage of

knowing the results of their rivals in the battle to avoid relegation 24 hours before their match kicks off.

Today's second game is a repeat of the Copa del Rey semi-final between Osasuna and Athletic Bilbao which Osasuna won 1-0 in their El Sadar Stadium, before a 1-1 draw in Bilbao booked them a final place against Real Madrid.

Athletic are seventh in La Liga and a win would keep them in pole position for a

place in next season's UEFA Conference League, while another victory for Osasuna would put them above their rivals on head-to-head goal difference.

The visitors have problems in defense and midfield, with Inigo Martinez, Yeray Alvarez, Dani Garcia and Ander Herrera all likely to miss the rest of the season, with Mikel Vesga and either Oier Zarraga or Unai Vencedor likely to play in midfield.

WTC Final: Ravi Shastri reckons Ashwin, Jadeja will feature in India's playing XI

New Delhi | Agencies

Former India head coach Ravi Shastri reckons the Rohit Sharma-led side could include both Ravichandran Ashwin and Ravindra Jadeja in the playing eleven for the upcoming World Test Championship final against Australia, set to be played at The Oval from June 7-11. Apart from ace off-spinner Ashwin and top-ranked all-rounder Jadeja in the 15-player squad, India also has the services of left-arm spin all-rounder Axar Patel.

Shastri was the head coach when India beat England in the fourth Test at The Oval, though it came on the back of efforts from fast bowlers, all-round performance of Shardul Thakur and Rohit's important century in the second innings.

Former head coach also felt the void left by Jasprit Bumrah's absence will hurt India's chances and that it should be countered by picking another spinner to accommodate for the lack of fast-bowlers.

With India missing Rishabh Pant, KL Rahul and Shreyas Iyer through various injuries,

they will likely have Shubman Gill opening with Rohit Sharma, followed by Cheteshwar Pujara, Virat Kohli and Ajinkya Rahane at number three, four and five respectively.

Shastri believes Rahane has earned his spot back in the Test side after being out of the team post the tour of South Africa in January 2022. Shastri signed off by mentioning that the application will be the key for the Indian team if they are to go one step further from the runners-up finish in the 2021 WTC final at Southampton. Ravi Shastri's predicted India XI: Rohit Sharma (c), Shubman Gill, Cheteshwar Pujara, Virat Kohli, Ajinkya Rahane, Ravindra Jadeja, KS Bharat (wk), Shardul Thakur, Ravichandran Ashwin, Mohammad Shami, Mohammed Siraj.

Malaysia Masters: Sindhu, Srikanth advance to second round; Ashmita, Aakarshi bow out

Kuala Lumpur | Agencies

Ace Indian shuttlers PV Sindhu and Kidambi Srikanth advanced to the second of the Malaysia Masters badminton tournament with their respective first-round wins on Wednesday.

In the women's singles, two-time Olympic medallist Sindhu registered a hard-fought 21-13, 17-21, 21-18 wins over Denmark's Line Christophersen in the round of 32 of the BWF Super 500 event.

The 27-year-old Indian will face world No. 28 Aya Ohori of Japan in the round of 16 today.

Sindhu took her time to settle into the match and went into the break, leading 11-8 but soon built on it to win the first game convincingly. Both the shuttlers fought hard to have the upper hand in the second game as

Christophersen executed the drop shots well to trouble Sindhu after the scores were tied at 17-17 and took the match into the decider.

After taking an early lead in the decider, Sindhu found herself in a bit of trouble, trailing 13-16. She then

dug deep to level the scores and used her experience to defeat Christophersen in a match lasting one hour and two minutes.

In the other women's singles contest, Aakarshi Kashyap lost 17-21, 12-21 to reigning world champion and

world No. 1 Akane Yamaguchi of Japan. On the other hand, Ashmita Chaliha suffered a 17-21, 7-21 defeat at the hands of world No. 9 Han Yue of China.

In the men's singles, former world championships silver medallist Kidambi Srikanth, got the better of world No. 28 Frenchman Toma Junior Popov 21-12, 21-16.

Meanwhile, world No. 40 Malvika Bansod will be up against world No. 8 Wang Zhi Yi in women's singles while India's top-ranked player and world No. 9 HS Prannoy and Commonwealth Games 2022 champion Lakshya Sen will take the court in men's singles, later in the day.

While Prannoy will be up against world No. 6 Chou Tien Chen of Chinese Taipei, Lakshya will lock horns with former world champion Loh Kean Yew of Singapore.

JORDI ALBA TO LEAVE BARCELONA AFTER 11 SEASONS

Madrid | Spain international left-back Jordi Alba will leave FC Barcelona at the end of the current season, Spanish media reported on Wednesday.

The 34-year-old leaves Barca after 11 seasons at the Camp Nou Stadium, during which time he has won multiple La Liga, Copa del Rey and Spanish Super Cup titles, as well as lifting the 2015 UEFA Champions League, a Xinhua report said.

The defender has decided to leave despite having another year remaining on his contract after a season in which he has appeared less than previously, making just 13 starts from 23 appearances in La Liga, as youngster Alejandro Balde has stepped up to become first choice in his position.

So far, Alba has made 458 appearances for Barca, scoring 27 goals, and during their time together, his understanding with Lionel Messi formed a key part of the club's attacking armory.

Champions League: Real Sociedad close in on Top 4 finish, Barca lose in Valladolid

Madrid | Agencies

Real Sociedad edged closer to Champions League qualification with a 1-0 victory at home against Almeria.

Takefusa Kubo netted the game's only goal during the fourth minute of first-half stoppage time, striking a brilliant shot into the top corner of the net, reports Xinhua.

Almeria was reduced to 10 men just 10 minutes later following a harsh challenge from Luis Suarez on Robin Le Normand. Despite not managing to equalize in the second half, their resilience suggested that they might yet avoid relegation.

Celta Vigo and Girona settled for a 1-1 draw, a result that likely assures Celta's La Liga

survival. Carles Perez put the home team ahead just four minutes before halftime.

Cristhian Stuani equalized with a twice-taken penalty in the 58th minute, and both

goalkeepers made excellent saves in the closing moments, resulting in a split of points.

Barcelona coach Xavi Hernandez altered his starting lineup significantly for the league champions' visit to relegation-threatened Valladolid.

Pablo Torre made his league debut for Barca, with Eric Garcia and Marcos Alonso also included in the starting lineup. Barcelona fell behind in the first minute when Andreas Christensen inadvertently headed the ball into his own net.

Larin doubled Valladolid's lead from the penalty spot in the 21st minute, after Eric Garcia was adjudged to have fouled Gonzalo Plaza. This happened amidst another underwhelming performance by Barcelona.

Back-to-back International tournaments good for Indian team: Gurpreet Singh Sandhu

New Delhi | Indian senior men's football team goalkeeper Gurpreet Singh Sandhu believes that playing back-to-back international tournaments will be beneficial for the side as it presents a great opportunity for players to polish their skills.

India are set to play an unprecedented number of matches, with back-to-back international tournaments lined up on home turf -- the Intercontinental Cup in Bhubaneswar, and the SAFF Championship in Bengaluru, followed by the Kings Cup in Thailand (September) and the Merdeka Cup in Malaysia (October). "Back-to-back tournaments are very good for us. We've got a good number of games in front of us, and that's something that I personally appreciate. I don't think we have ever done this before," Gurpreet told aiff.com.

"Tournaments such as these are always a challenge, but they also present a great opportunity to polish our skills against good teams and even to win some silverware," he added. Currently, on a preparation path for the AFC Asian Cup, which is set to be held in January next year in Qatar, the Blue Tigers are hard at work in their training camp in Bhubaneswar ahead of the Intercontinental Cup.

"The Asian Cup is very important for us. We need to play more competitive games at every opportunity we get, which will be good for us in our preparation for the Asian Cup. Just to have the squad come together, spend more time with each other, and to figure out the best ways for the team to play will be good for us," he said.

Happy for Nadal that he's giving himself the necessary time: Federer

New Delhi | Agencies

Roger Federer said he will miss seeing Rafael Nadal play at this year's French Open, emphasizing that Nadal's remarkable record at the clay-court major stands as one of the most extraordinary achievements in the history of all sports.

The 14-time Roland Garros champion, Nadal, announced his withdrawal from the clay court major at the Rafa Nadal Academy last week as he is recovering from his hip injury. The Spaniard will not play in the season's second major for the first time since his tournament debut in 2005.

Nadal played Federer at the French Open six times and won on every occasion, including four finals. Federer conducted a question-and-answer session with his fans on Twitter, where the Swiss legend was asked about Nadal not playing in Paris this year.

In reply to the user, the 20-time Grand Slam winner wrote: "Yes I will miss seeing him

play," adding that "French Open + Rafael Nadal = one of the most incredible records in the history of all sports." Federer also said, "I'm happy for him (Nadal) that he's giving himself the necessary time so that he can come back healthy and make a few more magical runs." The former World no. 1 also hinted at a potential return to the court to play exhibition matches. "I'd love to play exhibitions in the future and if so, coming to South America again would be amazing," Federer wrote.

MEN'S CRICKET WORLD CUP QUALIFIER

IRELAND ANNOUNCE SQUAD, STEPHEN DOHENY MISSES OUT

Dublin | Agencies

Cricketer Ireland on Wednesday announced that right-handed batter Stephen Doherty has missed out from the 15-player squad to be captained by Andrew Balbirnie for the upcoming ICC Men's Cricket World Cup Qualifier in Zimbabwe.

The Qualifier event, to be held in Zimbabwe from June 18-July 9, will see 10 teams competing for two remaining spots in the ten-team 2023 ICC Men's Cricket World Cup, to be held in India from October-November.

Ireland are in Group B alongside 1996 World Cup winners Sri Lanka, Scotland, Oman and United Arab Emirates, while Group A comprises hosts Zimbabwe, 1975 and 1979 World Cup winners West Indies, Netherlands, Nepal and United

States. Each side will play the other teams in their group once with the top three from each group progressing to the Super Six stage. In the

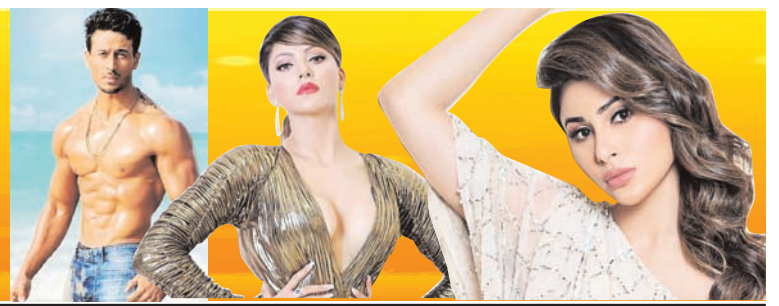

Super Six, they will play the sides they did not meet in the group stage.

All points won in the group stage will be carried over to the Super Six

stage apart from those gained against the teams that fail to make it to the Super Six stage. The two top teams after the Super Six stage will contest the final, and will both progress to the main ODI World Cup event in India.

For the first time in this tournament, DRS will be used for all matches from the Super Six stage onwards. Ireland has warm-up matches against USA and Netherlands on June 13 and 15 respectively, before playing in their Group-stage matches from June 19-27. Super Six matches begin from June 29.

Ireland squad: Andrew Balbirnie (captain), Mark Adair, Curtis Campher, Gareth Delany, George Dockrell, Graham Hume, Josh Little, Andy McBrine, Barry McCarthy, PJ Moor, Paul Stirling, Harry Tector, Lorcan Tucker, Ben White and Craig Young.

Priyanka reveals a Bollywood filmmaker 'needed to see her underwear'

Team Absolute | Mumbai

Indian actress Priyanka Chopra Jonas did not shy away from talking about an unsavoury incident in Bollywood when a filmmaker had said that he "needed to see her underwear". Priyanka in an interview with The Zoe Report opened up about shooting for a film in which the actress played the role of an undercover. About the incident, she said it was a "dehumanising moment" adding that she had walked out of the film.

"This may have been 2002 or '03. I'm undercover; I'm seducing the guy -- obviously, that's what girls do when they're undercover. But I'm seducing the guy and you have to take off one piece of clothing (at a time)," she recalled.

"I wanted to layer up. The filmmaker was like, 'No, I need to see her underwear'. Otherwise, why is anybody coming to watch this movie?"

The actress added: "He didn't say it to me. He said it to the stylist in front of me. It was such a dehumanising moment. It was a feeling of, I'm nothing else outside of how I can be used, my art is not important, what I contribute is not important."

After working for two days, she said that she exited the movie. Her father Ashok Chopra asked her to pay back the production, with her money, for what they had spent.

Talking about the director, Priyanka also said that she "just couldn't look at him every day".

Priyanka made her acting debut with the 2002 Tamil film 'Thamizhan'. She made her foray into Bollywood in 2003 with 'Andaaz'.

After that she was seen in Hindi films such as 'Aitraaz', 'Mujhse Shadi Karogi', 'Fashion', 'Don', 'Barfi', 'Bajirao Mastani', 'Mary Kom', 'The White Tiger' and many more.

ARSHAD WARSI'S WEB SHOW SEQUEL TO DROP ON JUNE 1

Team Absolute | Mumbai

The formidable duo of Arshad Warsi and Barun Sobti will be back as Asur threatens to rise and take over the world. The streaming crime series has been renewed for its second season and will be dropping on OTT on June 1.

The second season will also feature the ensemble star cast including Ridhi Dogra, Anupriya Goenka, Amey Wagh, Meiyang Chang and Gaurav Arora.

The season 1 of the show, which was released in March 2020, ended with a cliff-hanger, pondering over the fate of the elusive killer and the horror games that unfolded. The first look promo of the second season offers a sneak peek into the upcoming story line with the marvels of mythology and the genius of forensic science colliding to create an unmissable viewing experience.

Season 2 of the show promises to be a rollercoaster ride of suspense, mystery, and adrenaline-pumping thrills as the show drops on JioCinema on June 1, 2023.

ANURAG KASHYAP WAS ADAMANT ON GETTING SUNNY'S LAUGH RIGHT FOR UPCOMING FILM

Team Absolute | Mumbai

Actress Sunny Leone is making her Cannes debut with Anurag Kashyap's 'Kennedy'. The film follows the story of an insomniac former cop, Kennedy (essayed by Rahul Bhat), who has been presumed dead for years. He continues to work for a corrupt system while seeking redemption. Leone plays a pivotal character named Charlie, reports Variety.

Talking about her character, the

Leone's

actress said: "She's a little bit of a complex character and she hides behind some of her motions. And one of the things she hides behind the most is this laugh. And I believe she's a woman who's caught in two different worlds - one is the one that she wants to live in and one is the one she has been caught up in. I really enjoyed playing this character. And I think she is someone who's trying her very best to be as strong as possible at every moment of the day."

laugh in the film is distinctive and the actor said that Kashyap was "very adamant" that she got it right.

She told Variety: "It's not something that's a part of who I am. So I had to practise and when I mean practice, I practised in the car, I practised in front of my family, my kids, my husband, my friends, on set, in the middle of shooting a song or shooting something, I would practise laughing like Charlie."

"That way, when I got on set, it was out of my system, wasn't something that I felt odd about, it was just part of the character," she added.

'An action film is something I've wanted to do,' says Shahid

Team Absolute | Mumbai

Actor Shahid Kapoor's upcoming film 'Bloody Daddy' is set to release on OTT on June 9. He said that doing an out-and-out action film was something he had wanted to do. Speaking about his unconventional role, Shahid said: "Doing an out-and-out action film was something I have wanted to do but I was waiting for the right one to come my way. When Ali came to me with this project, I knew this was it! It's high octane, its action packed, it's thrilling, and it's intense, created especially for a digital first audience."

"Ali is a true master when it comes to this style of films, and it's been very enriching for me to partner with him on this. We really love what we have created together and are bloody excited to see the audience reaction now."

The film will exclusively stream on JioCinema. The platform unveiled the action-packed trailer of the Ali Abbas Zafar-directorial at a grand event in Mumbai, in the presence of Shahid Kapoor and the director ahead of its release.

Ali Abbas Zafar said: "We see a lot of dark crime thrillers in the west, but hardly any in India that are made at that level and intensity. 'Bloody Daddy' breaks all stereotypes right from Shahid's transformation into a 'killing machine' to being one of the first direct to OTT films to be created at this grand scale! 'Bloody Daddy' is a hard-hitting out and out dark action thriller that promises raw and real action."

Bloody Daddy unravels the story of Sumair (played by Shahid Kapoor) as he faces off against Gurugram's white-collar drug lords, deceitful friends, a ruthless crime boss, murderous narcs, and both corrupt and honest cops - all during one fateful night. In the midst of a post-COVID party apocalypse, this embattled man embraces a precarious new normal and will stop at nothing to save the one relationship that truly matters to him.

Manoj Bajpayee speaks about the obstacles he faced for the upcoming movie

Team Absolute | Mumbai

Acclaimed actor Manoj Bajpayee has notched up another triumph with his upcoming film 'Sirf Ek Bandaa Kaafi Hai', a courtroom drama based on the real-life case of a once-revered and powerful Indian religious leader who is currently serving a life sentence for the rape of an underage girl. In the Apoorv Singh Karki directed film, Manoj plays a prosecuting lawyer who is pitted against a slew of celebrity lawyers, reports 'Variety'.

"Usually what happens is that you spend some time with the real person. Somewhere, I realised it's a two-hour film, you have to have your own preparation away from the real guy, who is somebody who's not even known to the world. And he's achieved a feat in five years of continuous court hearings that is remarkable," Bajpayee told 'Variety'.

"Instead of just creating or imitating a real person, let's have the essence of him - the relentlessness and the

courage and somebody who is stubborn about what he's doing, completely focused, and he's a good son, good father. I wanted to take all of it and make a character of my own and take a little bit of his physicality when I got to meet him before the shoot - I think it worked."

What Bajpayee found the most strenuous was understanding the legal jargon and then interpreting it in a way that a lay audience would understand.

"To make the character work, he has to be consistent; it should not leave realism at all. It cannot at any cost, just because it's a two-hour drama film, it has to be real. And as a character, and even if he's arguing in the court, it should be very real and should have that kind of an edge when people are watching it," Bajpayee said.

Another challenge was a seven-page monologue that the director wanted to shoot in a single take. Bajpayee says that after the 150th time he read the pages, he stopped counting and once

he'd memorised it, he'd catch hold of anyone and begin practising the monologue on that person.

"By God's grace, the first shot, first take, it was okay. You can achieve all of these things, if you really put your mind into it; put your focus into it."

On the underlying themes of 'Bandaa,' the actor said: "You can't trust your child even with your brother in a room where there is no monitoring happening, and there's no female member there."

"So, we are talking about all of that, we are talking about child safety, we're talking about how a family is also responsible for all of this because in 95 per cent of cases, most of the predators were known to the family. So that means as parents we failed, we took it for granted."

"It is an eye opener that way and our focus is mostly on the security and safety and protection of the child, which is an issue which is very close to my heart - always been," Bajpayee added.
